

AdventHealth Appearance & Dress Code Guidelines

ID Badges

- Must be worn on the upper left chest
- Must be clearly visible at all times while on duty
- Use badge reels or clips only in patient care areas (no lanyards)

Uniforms & Business Attire

- Wear role-specific uniforms ordered through the AdventHealth Uniform Portal
- Core colors, styles, and logo placement must follow AH standards
- Non-uniform roles must wear business casual or business formal attire.
(check with your facility)
- No logos, brand names, or outside embroidery on uniforms

Grooming & Presentation

- Hair: Clean, groomed, and natural in color
- Facial hair: Neatly trimmed; must not interfere with mask fit
- No facial piercings or gauges larger than the natural earlobe
- Tattoos: Must be non-offensive and covered where possible
- Fingernails: Clean and short in clinical settings (no acrylics or overlays)

Footwear

- Closed-toe, non-skid shoes in good repair
- Check the Uniform Portal on Day 1 for department-specific footwear requirements.

Reminder: These standards reflect AdventHealth's commitment to professionalism, safety, and a unified team appearance.
Please review full guidelines during onboarding or contact HR with questions starting July 1.
