

AH Bond Clinic Email Signature Guidelines

Brand consistency is important even in internal communications. Standardized email signatures ensure a look of professionalism and save bandwidth on our servers by not incorporating graphics of any kind. Refer to these guidelines when setting up your email signature.

- ✓ Set email signature names in Arial Bold at size 12pt in Pantone 7691 (RGB: 0, 98, 152).
- ✓ Set the rest of the signature in Arial Regular at size 10pt in Pantone 430 (RGB: 115, 128, 138).
