Your Key Resources ▶

Before you explore all of your benefit options, it's important to first understand who's eligible for coverage and when you can make your benefit choices. You're eligible for many benefits on your very first day, so don't wait!

Who Is Eligible for Coverage

Team Members

You're eligible for AdventHealth benefits coverage if you are a regular full-time or part-time team member. Per diem team members are also eligible for certain benefits highlighted in this Guide.

Status	Hours Worked per Week
Full-Time	36+
Part-Time	16–35.99
Per Diem	0–15.99

The specific benefits you're eligible for vary based on your status. Visit The Hub for details.

AdventHealth makes a substantial investment in benefits for our team members and their families. It's everyone's responsibility to ensure only eligible dependents receive coverage through our benefits program.

Dependents

The following dependents are eligible for coverage under our benefits program:

- Your legal spouse or any individual who is required to be treated as a spouse under applicable state law
- Your natural children, adopted children, foster children, stepchildren or children under a Qualified Medical Child Support order up to age 26
- Any children for whom you are the Legal Guardian, or for whom you have a court order awarding permanent custody, up to age 26
- Your adult dependent child over age 26 with a mental, physical or development disability who is incapable of self-support, provided the condition began before age 26

Please note that an individual cannot be covered as both a team member and dependent. This means if both you and your spouse work at AdventHealth, you can't both be dependents for medical coverage, for example.

Be Ready to Verify Your Dependents

Depending on who you choose to cover under your medical, dental and vision benefits, you will need to provide certain documentation to confirm eligibility. If you do not provide sufficient proof of eligibility, your dependent(s) will not be enrolled in AdventHealth coverage.

The documentation required varies based on the type of dependent you wish to add. Plan ahead to ensure you have what you need when you enroll.

- **Spouse:** Government issued marriage certificate or other plan-approved documentation that reflects marital status*
- **Child:** Government issued birth certificate, hospital documentation (if child is under 6 months), naturalization certificate, or consular report of birth abroad**

* Please consult with AdventHealth if your spousal relationship is not one that is formalized by a marriage certificate.

** When enrolling stepchildren, in addition to the birth certificate, a marriage certificate and/or court order identifying the spouse as having legal responsibility for the child is required.

When Benefits Begin

You have important decisions to make about the benefits coverage that works best for your personal situation — including your needs and budget. However, your needs may change over time. That's why it's also a good idea to understand which benefits you can choose or change at different points during the year and throughout your career.

Paying for Benefits

Many benefits described in this Guide are paid for with pre-tax contributions, so they lower your taxable income.

Disability, life and AD&D insurance, supplemental insurance (including critical illness, hospital indemnity and accident insurance) and voluntary benefits (including pet and legal) are paid for on an after-tax basis.

View all of your benefit plan rates on The Hub under the My Benefits tile or on the benefits enrollment tile when enrolling for the first time or making a change as a result of a qualifying life event.

Know Where to Go ▶

Our comprehensive health plan options include medical, dental and vision coverage. You can also choose to buy additional hospital care, accident and critical illness insurance to supplement your medical plan benefits. It's up to you to choose the plans that best meet your and your family's well-being needs.

Medical Plan Options

You have two medical plan options — so you're able to choose the cost and coverage that best fits your needs and budget. Each plan has a different premium (what you pay up front through payroll deductions) and out-of-pocket costs (what you pay when you receive care throughout the year).

Here are a few quick highlights to keep in mind:

- **Both plans have two tiers of coverage** — and the AdventHealth family of doctors, hospitals, clinics and facilities are Tier 1. Aetna's national network is Tier 2.
- **Preventive care is free when you receive services in-network** — so get those annual physicals and routine screenings at no cost (just make sure your provider indicates the services are preventive care when you visit).
- **Prescription drug coverage is the same under both plans** — however, if you enroll in the Health Savings Plan, you will have to meet a combined medical and prescription drug annual deductible before the pharmacy tiered drug copay structure applies for non-preventive medications.

AdventHealth Providers

All AdventHealth providers, clinics and facilities are Tier 1. By working with providers within our system, you receive high-quality care from providers who share our unwavering commitment to whole-person health. You benefit from doctors with the skill to heal and the compassion to care for you like family — while paying the lowest out-of-pocket costs. At the same time, you're supporting the health of our system.

To find providers, visit [Aetna.com/AdventHealth](https://www.aetna.com/AdventHealth) or use the Aetna mobile app. Look for providers labeled "Maximum Savings."

Comparing Your Medical Plan Options

This chart provides a summary of what's covered under each medical plan, as well as how much you will pay out-of-pocket for care. Both plans offer two tiers of coverage, based on the providers you choose. **Except in emergencies, there is no coverage for out-of-network care.**

For a complete list of covered services, visit [Aetna.com](https://www.aetna.com) and select "What's Covered" under the Benefits tab. To see your premium rates, visit The Hub under the My Benefits tile.

* Both medical and prescription deductibles and copays count toward your out-of-pocket maximum under the Health Savings Plan.

** AdventHealth HSA contributions are made in quarterly installments for eligible team members. See [page 11](#) for details.

*** Emergency Room is only covered for true emergencies. Be sure to use virtual care and urgent care for non-emergency needs.

Consider an AdventHealth Primary Care Physician (PCP)

You may already know the many benefits of having a trusted relationship with a PCP who can help you get and stay healthy. Your PCP learns your health history, preferences, concerns and goals. And when you choose an AdventHealth PCP, you benefit from a unique combination of medical expertise, advanced technology and heart.

Watch Your Mailbox for a New ID Card!

All team members will receive a new ID card in the mail at home within two weeks of enrolling. For added convenience, your new ID card will have both medical and prescription drug information on a single card — and also will be available on Aetna's app.

Prescription Drug Coverage

Whichever medical plan you choose, you will receive prescription drug coverage through AdventHealth's Rx Plus Pharmacy and RxBenefits, in partnership with CVS Caremark. Rx Plus Pharmacy delivers your maintenance medications right to your door.

There are four types of prescription drugs covered under our medical plans:

1. **Generic (Tier 1).** Low-cost generic drugs are at the lowest-copay level.
2. **Formulary (Tier 2).** These are primarily brand-name drugs that have been determined to be more effective, less costly or to have fewer side effects than similar medications.
3. **Non-Formulary (Tier 3).** These are mostly high-cost brand-name drugs with lower cost generic and/or brand alternatives. These drugs have been selected by the plan based on review of the relative safety, effectiveness and cost of the many brand-name drugs on the market.
4. **Specialty.** Certain prescriptions are required to be dispensed through the Specialty Pharmacy program. For specialty medications, Rx Plus Pharmacy partners with Expedien Rx Pharmacy.

Prescription Drug Formulary

The prescription drug program uses a list of covered drugs called the formulary. The formulary is regularly reviewed by AdventHealth and CVS Caremark medical doctors and pharmacists to incorporate the latest drug information and FDA approvals.

View the current drug formulary at [MyAdventHealthRx.com](https://myadventhealthrx.com).

Health Savings Plan Members, Take Note!

If you enroll in the Health Savings Plan, there are a few important things to understand about your prescription drug coverage.

- **Combined medical and prescription drug deductible.** An annual deductible must be met before prescription drug copays begin. This means you pay the full cost of medical care and prescription drugs until you reach the deductible. Once your deductible has been met as an individual or as a family (if covered), you'll then pay the fixed copay amount for medications based on the tier of the drug. Eligible copay amounts paid once the deductible is met will count toward the annual out-of-pocket maximum. Once your out-of-pocket maximum has been reached, eligible prescriptions have a \$0 copay for the rest of the plan year.
- **Preventive drug list.** Any medications that are listed on the preventive drug list are not subject to the deductible requirements and follow the prescription drug copay structure. For a complete list of these medications, please visit [MyAdventHealthRx.com](https://myadventhealthrx.com).
- **Copay assistance.** The IRS requires Health Savings Plan members to pay 100% of their deductible prior to any manufacturer copay assistance dollars being applied to the out-of-pocket prescription costs.

Rx Plus Pharmacy's top priority is to ensure your prescriptions are filled safely and delivered quickly so that you and your loved ones feel whole and cared for. With an expanded team and streamlined processes in place, members can expect best-in-class prescription turnaround times and access to a dedicated team ready to answer questions and provide support.

Save Money on Prescriptions!

Save money on prescriptions by asking your doctor to prescribe generic medications whenever possible and using AdventHealth's Rx Plus Pharmacy for mail order medications you take on an ongoing basis.

Health Savings Account (HSA)

The HSA is a great way to save money and invest in your future. If you enroll in the Health Savings Plan, you can make the most of your earnings by putting money into an HSA with Optum Financial. This account has a triple tax advantage — meaning you set aside money into the account tax-free, the money grows tax-free once it's in the account and, when you take your money out, you spend it tax-free on eligible health care expenses.

With an HSA, there's no “use it or lose it” rule. Once the money is in your account, it's yours to keep. Each year, money left in the account rolls over, so you can continue saving for future health care costs. And you own your account — so if you ever leave or retire from AdventHealth, you take your HSA with you.

Important HSA Eligibility Requirements

In addition to enrollment in the Health Savings Plan medical option, you must also meet the following eligibility requirements to contribute to an HSA:

- You (or your spouse, if you have family coverage) do not have any other health coverage.
- You do not have a Medical Flexible Spending Account or Health Reimbursement Account.
- You are not enrolled in Medicare, Medicaid or Tricare.
- You are not claimed as a dependent on someone else's tax return.
- You have not received health care from the Veteran's Administration in the past three months.
- You must have a physical mailing address (not a P.O. Box).

How to Contribute

Once you enroll in the Health Savings Plan, you will set up your HSA with Optum Financial. The IRS sets limits each year on how much you can contribute to your HSA. For 2025, you can contribute up to \$4,300 for individual coverage and \$8,550 for all other coverage. (This amount includes the AdventHealth contribution, if you're eligible.) If you are 55 or older in 2025, you can contribute an additional catch-up contribution of \$1,000.

Changes to an HSA can be requested monthly through The Hub — and there is no minimum contribution.

Saving for the Future

While you can use your HSA to offset health care costs now, you can also use it as a longer-term savings account and roll over your balance year to year. Once you have \$1,000 in your HSA, you can begin to invest in mutual funds. When you invest the money from your HSA, there are no investment transaction fees.

AdventHealth Contribution

Team members who earn less than \$21 per hour at the time of enrollment who choose the Health Savings Plan will receive contributions from AdventHealth to their HSA. Part-time team members and any team member earning \$21 per hour or more are not eligible. If you enroll in medical coverage for yourself only, you will receive \$1,000 from AdventHealth. If you cover any dependents, you will receive \$2,000.

If eligible, you will receive these contributions in quarterly installments of either \$250 (yourself only) or \$500 (you plus dependents). There are no retroactive contributions, so the total amount you receive for the year may be impacted by your enrollment date if you join during the year.

You must enroll by the following dates to receive the employer contribution:

Complete your enrollment by...	To receive the employer contribution in...
December 31, 2024	January 2025
March 31, 2025	April 2025
June 30, 2025	July 2025
September 30, 2025	October 2025

The HSA is a great way to save money and invest in your future.

Dental Plan Options

Part of good health is taking care of your smile — and that means getting regular check-ups and cleanings. AdventHealth offers three dental options through Delta Dental, so you have a range of coverage to choose from. For a list of dentists in your area, visit [DeltaDentalIns.com](https://www.deltadentalins.com).

Important Information About the DMO Plan

If you enroll in the DMO, you will be assigned a dentist who coordinates your care. You and all covered family members must see a network provider in the state where you reside.*** Please note that coverage is currently only available in certain states. A child or spouse who lives out of state will not be covered in that state, even if dentists in their area work in network. You may change your dentist by notifying Delta Dental by phone at 800-422-4234 or online at [DeltaDentalIns.com](https://www.deltadentalins.com).

Know Where to Go

As a health care organization, we understand that navigating care options isn't always easy. However, our medical plans offer you a variety of ways to get the quality care you need — when and where you need it. Choosing the right option for your symptoms can mean big cost savings — for both you and for AdventHealth.

If you have a true health emergency, always go to the emergency room or call 911. If your condition isn't life threatening, you have different options for care that could save you time and money.

Health Care Options	Examples of When to Use	Your Cost
24/7 Virtual Visits through AdventHealth With on-demand urgent care video visits, AdventHealth doctors can diagnose and treat minor and urgent care needs through online video visits on your smartphone or tablet via the app — no appointment needed!	<ul style="list-style-type: none"> • Allergies • Cold/flu • Earache • Fever • Mild rashes • Pink eye • Sinus infection 	\$0 for Traditional Plan members \$64 for Health Savings Plan members until deductible is met
Virtual Visits with your Current Providers You don't always need to visit a doctor in person. Urgent Care Center When you can't get an appointment with your doctor or want immediate attention for something that isn't life threatening, urgent care is available.	<ul style="list-style-type: none"> • Low back pain • Respiratory illness (cough, pneumonia, asthma) • Stomach illness (pain, vomiting, diarrhea) • Infections (skin, eye, ear/nose/throat, genital-urinary) • Minor injuries (bite, burn, stitch, sprain, small fracture) 	\$\$
Emergency Room For a condition that's a true emergency, call 911 or visit the emergency room.	<ul style="list-style-type: none"> • Difficulty breathing/shortness of breath • Difficulty speaking or walking • Pain or pressure in the chest or abdomen • Sudden or severe pain • Uncontrollable bleeding • Major burn 	\$\$\$

Get Tax Savings ▼

**Medical Flexible
Spending Account ▶**

**Child/Eldercare Flexible
Spending Account ▶**

Flexible Spending Accounts (FSAs) help you save money by allowing you to pay for out-of-pocket health care and dependent day care expenses with pre-tax dollars.

FSAs, offered through Optum Financial, are a great way to reduce your tax liability for certain health care or dependent care expenses. These accounts have limits set each year by the Internal Revenue Service (IRS) and include a “use it or lose it” condition, which means you must use the funds in your account by December 31 of each year. Visit My.Optum.com/AdventHealth after you enroll to set up your account.

Medical FSA

A Medical FSA allows you to set aside pre-tax dollars to pay for health care costs not covered by insurance.

The maximum contribution is \$3,200.

You can use your Medical FSA to pay for health care expenses that are not covered by your medical, dental and vision plans, including copays, coinsurance and deductibles.

If you enroll in the Health Savings Plan with an HSA, you are not eligible to enroll in the Medical FSA, according to IRS rules.

Child/Eldercare FSA

A Child/Eldercare FSA allows you to set aside pre-tax dollars to pay for certain dependent care costs.

The maximum contribution set by the IRS is \$5,000, but those earning \$155,000 base salary may only contribute up to \$1,500.

You can use your Child/Eldercare FSA to pay for dependent care services that enable you and your spouse to work or look for work. Expenses must be for the care of a dependent who is either under age 13 and entitled to a dependent tax deduction, or a person of any age who is mentally or physically incapable of self-care. In the latter case, the person must live in your house at least eight hours per day, be fully dependent upon you and be claimed as a dependent on your tax return.

Eligible dependent care expenses include:

- Nursery school
- Licensed day care centers
- Summer day camps
- In-home care for a dependent incapable of self-care

When Is FSA Money Available?

Your **Medical FSA** can be reimbursed up to the total amount you have elected to deposit for the year.

Your **Child/Eldercare FSA** can be reimbursed up to the total amount you have deposited when you submit the claim.

Rolling Over FSA Contributions

You must use all the money in your Medical FSA by March 31 of the following year. At the end of 2025, up to \$640 will automatically roll over to 2026 and will be available for use starting in May of 2026. Any balance above \$640 does not carry over and is subject to the “use it or lose it” rule. (The Child/Eldercare FSA does not allow rollovers.)

Life and AD&D Insurance ▶

Disability Coverage ▶

Life insurance and disability coverage through New York Life can provide a safety net for your family should you be faced with the unexpected.

Life and AD&D Insurance

Life insurance and accidental death & dismemberment (AD&D) coverage is designed to protect the ones you love should something unexpectedly happen to you. **You automatically receive life insurance coverage** upon meeting eligibility requirements, and you have the option of electing supplemental life and AD&D insurance.

Basic Group Life and AD&D

Life insurance benefits provide for you and your family in the event of your death or serious injury. When you enroll in life insurance, you are also enrolling in AD&D coverage. AD&D pays an additional amount equal to your annual salary if death occurs due to an accident.

Survivor Assurance Program

If the unexpected happens, the New York Life Survivor Assurance Program can help. This program offers services to support beneficiaries when they need it most. Services include a survivor assurance account, employee assistance and wellness support and financial, legal and estate support. Contact New York Life at 800-570-3778 to learn more.

AdventHealth automatically provides you with basic group life and AD&D insurance in the amount of your base annual salary, subject to a maximum of \$1,000,000 and age reduction rules.	Team members pay the cost for basic group life and AD&D insurance for coverage equal to your annual salary. Annual salary is determined by computing your hourly rate multiplied by standard hours (per pay period) multiplied by 26 pay periods.

Supplemental Life and AD&D

In addition to the basic group life and AD&D insurance provided by AdventHealth, both full-time and part-time team members may purchase more coverage under the supplemental life and AD&D plan for themselves, their spouse and/or their children.

- **For Yourself.** Coverage is available in amounts equal to 1, 2, 3 or 4 times your annual rate of basic earnings, subject to a maximum of \$2,000,000. The total basic and supplemental maximum is \$3,000,000.
- **For Your Spouse.** Coverage for a spouse is available in \$25,000 increments to a maximum of \$50,000 at the initial offering without evidence of insurability or up to \$250,000 with EOI. After the initial offering, EOI is required for any increased amount selected. The Social Security number for your spouse is required to complete enrollment.
- **For Your Children.** You may select life coverage for your child(ren) without covering your spouse. No evidence of insurability is required and you may cover each of your eligible children from birth to the last day of the month in which they turn 26 years, in the amount of \$10,000 or \$15,000. Social Security numbers for your children are required to complete enrollment.

Choosing Beneficiaries

You will designate beneficiaries for both life and AD&D insurance separately. If you haven't reviewed your choices in a while, review beneficiaries at [NYLGBSBenefitsGuide.com/AdventHealth](https://nylgbbenefitsguide.com/AdventHealth) to ensure they reflect your intentions!

Understanding Evidence of Insurability (EOI)

Often referred to as “EOI,” Evidence of Insurability is a record of past and current health. It is typically used by insurance carriers to verify if a participant meets the definition of good health for insurance purposes. If you are enrolling in supplemental coverage, EOI is required in the following situations:

Initial Hire

- If electing the four times coverage level
- If electing an amount over \$1,000,000

After Initial Eligibility

- Enrolling in coverage if, at the time of hire or when first eligible, you did not elect to take it
- Requesting an increase of two or more times coverage level on yourself
- If electing four times coverage level
- If electing an amount over \$1,000,000

EOI may also be required for your spouse, based on how much coverage you choose.

Disability Coverage

If you're unable to work due to illness or injury, short-term and long-term disability coverage can help to replace some of your lost income so you can pay your bills and protect your savings. Consider disability insurance as an affordable way to create peace of mind for you and your family.

Eligibility

Short-term disability coverage is available to all full-time and part-time team members.

Long-term disability is available only to full-time team members. You must be actively at work on the date the coverage takes effect. This means if you happen to be ill or injured and away from work on the date your policy will take effect, your coverage will not take effect until you return to work for one full day.

Benefits Overview

	Short-Term Disability	Long-Term Disability
When Benefits Begin	Benefits begin on the first day after an accident or the 15th day of an illness.*	Benefits begin after 180 days of disability (the elimination period).
Benefit Amount	60% of your current weekly base income to a maximum of \$5,000 per week**	60% of your monthly earnings, with a maximum monthly benefit of \$6,000**
When Benefits End***	Benefits are payable for up to 24 weeks for an illness and 26 weeks for an accident or injury.*	<p>If disability occurs prior to age 60, benefits are payable until the current Social Security Normal Retirement Age (SSNRA).</p> <p>If disability starts on or after the date you reach 61, benefits are paid for the maximum benefit period listed in the schedule of benefits.</p>

* See the plan document for the complete definitions of "accident" and "illness."

** Physicians and executives may be enrolled in another plan with higher average limits. Review your benefits summary on The Hub for confirmation of your LTD maximum monthly benefit.

*** Team members enrolled in long-term disability who leave AdventHealth after one year of coverage may convert to an individual policy and continue coverage for up to one year at the same rate in effect at the time your employment ends, provided you are not disabled, on a leave of absence or retired at that time.

Take Time for Yourself ▼

Paid Time Off (PTO) ▶

Paid Parental Leave ▶

We all need space away from work to rest, relax and recharge. Whether it's some time alone, or time with family and friends, you can make time for what's important in your life.

Paid Time Off (PTO)

We provide flexible Paid Time Off (PTO) so you can take time however you like. Whether that's a vacation, personal needs, sick days or a mental health day to relax and recharge. You'll accrue time based on the number of hours you work. If you're a newly hired team member, you'll receive a PTO advance of 24 hours at the end of your first pay period to accommodate for any immediate or unexpected needs.

Refer to PolicyTech for more information on policy [CW HR 202 — Paid Time Off \(PTO\)](#) and [CW HR 202.1 — Paid Time Off Donation Program](#) or contact HR Shared Services for assistance. Physicians should refer to their specific contract and offer letter regarding time off.

Your PTO accrual rate is based on your job level and your length of service at AdventHealth.*

Years of Service Completed	Accrual Percentage	Accrual Frequency	32 Standard Hours Per Pay Period	72 Standard Hours Per Pay Period	80 Standard Hours Per Pay Period
0–1	9%	Per Pay Period	2.88	6.48	7.20
		Annual	74.88	168.48	187.20
1–5	10%	Per Pay Period	3.20	7.20	8.00
		Annual	83.20	187.20	208.00
5–8	11%	Per Pay Period	3.52	7.92	8.80
		Annual	91.52	205.92	228.80
8–11	12%	Per Pay Period	3.84	8.64	9.60
		Annual	99.84	224.64	249.60
11–15	13%	Per Pay Period	4.16	9.36	10.40
		Annual	108.16	243.36	270.40
15+	14%	Per Pay Period	4.48	10.08	11.20
		Annual	116.48	262.08	291.20

Some regions may have different accrual schedules based on local requirements. Please refer to [CW HR 202 – Paid Time Off \(PTO\)](#) for additional details.

* New hires will accrue at a rate less than the percentage specified in the schedule during the first 12 months of employment to adjust for the 24 hours of PTO advanced for use on their start date. Please visit the HUB to verify your available PTO hours.

PTO Donation Program

We've made it easy to support fellow team members and rally around each other in times of need. The PTO donation program allows you to donate accrued PTO to facility pools. Team members in difficult circumstances who need additional support and meet the recipient eligibility requirements may request and receive PTO from their facility's pool.

PTO Cash Out

Team members have the option of cashing out up to 80 hours of PTO, at 90% of the value, while maintaining a balance of at least 40 hours. *(Colorado-based team members are ineligible for cashing out PTO due to state restrictions.)*

Bereavement Days

Paid time off is available to all active team members who experience a loss in their immediate family. You may take up to three days (consecutive or non-consecutive) at your base rate of pay to handle family affairs, plan and/or attend the funeral or memorial service. To request this time off, team members must notify their immediate supervisor and provide documentation such as the obituary or death certificate as soon as practical.

Refer to PolicyTech for more information on policy [CW HR 201 — Bereavement](#) or contact HR Shared Services.

Paid Parental Leave

Welcoming a child is an exciting time. Whatever role you play in your expanding family, AdventHealth offers four weeks of paid parental leave to all full-time, benefits-eligible team members at 100% of their base pay, with no minimum service requirements. Please refer to policy [CW HR 206.10 — Paid Parental Leave](#) for more details. For more information, visit the Leave of Absence tile in The Hub and click on Paid Parental Leave.

For information about Adoption Assistance, see the [Discover Even More](#) section of this guide.

Enhanced Maternity Program

Before planning a parental leave, don't forget to take advantage of additional support if you're enrolled in one of our medical options.

Aetna provides a maternity program to support your maternity journey including preeclampsia prevention, access to guided genetic counseling and screening and fertility advocacy resources to address maternal health. To learn more, contact the Fertility Advocate toll-free line at 833-415-1709.

Focus on Retirement & Financial Security

Adventist HealthCare Retirement Plan (AHRP) ▶

Adventist Health System 457(b) Eligible Deferred Compensation Plan ▶

AdventHealth offers a variety of benefits to take care of you and your family's well-being today. At the same time, we also want to help you prepare for a secure financial future.

Adventist HealthCare Retirement Plan (AHRP)

AdventHealth is a member of the Adventist HealthCare Retirement Plan (AHRP), along with Adventist Health and Loma Linda. The AHRP is a 403(b)/401(a) plan that allows you to save for retirement with pre-tax, Roth and after-tax contributions. All team members are eligible to make contributions to the AHRP 403(b). You can change your contribution election at any time.

Your Contributions

You can elect contributions of any amount up to the current IRS maximum. In 2024, the calendar year contribution limit was \$23,000. If you are age 50 or older, you may contribute an additional amount (\$7,500 in 2024). See [IRS.gov](https://www.irs.gov) for 2025 limits.

You can change your contribution election at any time. You are always 100% vested in your own AHRP contributions and earnings in the 403(b), but employer contributions to the 401(a) are subject to vesting rules. Learn more at MyAHRPSavings.com.

AdventHealth Matching Contributions

Beginning January 2025, we are making it easier for you to plan for your future. AdventHealth is changing to a straight dollar for dollar match. The amount of match that you receive is based on your tenure tier with AdventHealth. The longer you stay with AdventHealth, the more match you are eligible to receive.

Years of Service	AdventHealth Matching Contribution
0–3.99 years of service	100% up to 4%
4–9.99 years of service	100% up to 5%
10–19.99 years of service	100% up to 6%
20+ years of service	100% up to 7%

Adventist Health System 457(b) Eligible Deferred Compensation Plan

The Adventist Health System 457(b) Eligible Deferred Compensation Plan administered through the AHRP is a supplemental tax-deferred savings retirement plan.

The 457(b) has the same \$23,000 IRS contribution limit in 2024. By maxing out contributions to both accounts, you could contribute up to \$46,000 in both plans in 2024! This 457(b) does not offer an age based or tenured based catch-up provision.

AHRP and 457(b) Investment Options

You can choose your investments from a variety of options available through Fidelity and can change your investment fund elections at any time. If you do not choose, your contributions automatically default into a target date fund based on your age 65 retirement date.

Important Requirements for AHRP After-Tax Contributions

A personalized meeting with an AHRP representative is necessary prior to electing after-tax contributions.

Please visit MyAHRPSavings.com to schedule a meeting. (Just click the green Schedule button on the home page under One-on-one help.)

Keep Your Beneficiary Information Up to Date

Lyra Health

Lyra offers confidential care for your emotional and mental health, how, when and where you need it. Whether you are feeling stressed, anxious or depressed — or are concerned for someone in your family who could benefit from Lyra's services — you will be able to find support, with appointments within two days.

Completely confidential services and support include:

- **Up to six free coaching or therapy sessions per person each year.** You and each of your eligible household members have up to six free coaching or therapy sessions per person each year.
- **Access to Lyra's expansive network of 10,000+ diverse providers.** Therapists are available across a multitude of provider categories (including gender, ethnicity, language and sexual orientation) and specialty areas (including divorce, veteran support and grief) — so you can find a provider more closely aligned to your unique needs. You can choose how you prefer to get support: via live messaging, phone, video or in-person.
- **Self-help resources available on demand.** With everything from guided meditations, how-to videos and mindfulness exercises through Lyra's app or on the web, you can choose the type of support that best fits your needs at any time.
- **Lyra Care for Teens.** Created in partnership with a cohort of teens to ensure content resonates, teens can access customized sessions, self-directed digital lessons, exercises, guides and assessments tailored to their needs. Teens have ongoing support and can message their provider between sessions to help meet their needs and goals.
- **Support for work.** Lyra offers a dedicated space on their platform for all work-related content and programming — including tailored experience specifically for managers and people leaders. You can access a range of support for your professional well-being, with instant access to a library of on-demand courses, live events and educational articles to help you thrive at work.

Spirit

Part of what makes AdventHealth a unique and special place to work is the ability to tap into spiritual care, prayer support and service opportunities alongside fellow team members.

- **Spiritual Connections Series.** The annual Spiritual Connections Series is a yearlong opportunity for inspiration, reflection and deeper connection. Monthly video messages are complemented by Community Circle gatherings, art submissions and other campus offerings. Team members can earn well-being points in the WebMD portal for engaging in the series.
- **Global Missions.** AdventHealth Global Missions creates medical mission opportunities for you to extend the healing ministry of Christ beyond your normal job duties, building a mission-driven health care community where caregivers feel inspired to give their time and talents to those who need them, anywhere in the world.
- **Spiritual Care Hotline.** Whatever you are facing, you are not alone. When you need a listening ear, the AdventHealth Spiritual Care Hotline is here for you at 833-258-2414, Monday through Friday, 10 am to 6 pm ET. Calls are free and confidential, and our caring team members will listen without judgment, offering payer, support and additional resources if needed.

You have a lot to juggle. So we offer a variety of benefits to help you and your family deal with everyday responsibilities. From extra insurance to caring for furry family members to furthering your education to protecting your identity and more — we offer support for you at work and at home.

Supplemental Insurance

While AdventHealth medical plan options provide coverage for hospitalizations, accidents and illnesses, you may have expenses like travel, childcare and other costs not covered by medical insurance. That's why we offer several supplemental insurance products to help provide additional financial protection for your family in the event of something unexpected. You decide which plans, if any, make sense for you. For more information, visit USEVB.com/AdventHealth.

Hospital Indemnity

Hospital indemnity coverage pays benefits when you have a planned or unplanned stay due to an illness, injury or surgery, or if you or are giving birth. The plan pays a lump sum benefit for an inpatient stay and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses. Your health plan helps pay providers for services and treatments but doesn't cover unexpected costs that might come with a stay in the hospital.

This plan pays benefits directly to you, giving you extra cash when you need it most, including an initial hospital admission benefit of \$1,500 (payable one time per plan year) and \$200 per day for each additional day of hospitalization. It can help fill in the gaps, making it a great supplement to your major medical plan.

To learn more, visit MyAetnaSupplemental.com. You can see your plan documents, submit and track the status of claims and even sign up for direct deposit of your benefits.

Accident Insurance

Accident insurance provides coverage if you are accidentally injured and need treatment, whether you go to a doctor's office, urgent care center, emergency room or seek virtual care. There are no restrictions on how your money can be used after a covered accident, from out-of-pocket medical expenses to car repairs to home cleaning services — whatever makes your life easier after an accident. We offer two coverage levels, with the High Plan offering greater payments for covered accidents and related treatment.

To learn more, visit MyAetnaSupplemental.com. You can also visit USEVB.com/AdventHealth to review your certificate of insurance for specific details about benefits, exclusions and limitations that may vary by state.

Critical Illness Coverage

When a critical illness happens, your health insurance plan may cover some, but not all of your medical and hospital costs. You and your family may need extra protection that closes the financial gap and helps you manage expenses such as out-of-pocket medical costs, everyday costs like rent or mortgage payments and recovery costs associated with loss of family income, rehabilitation and child or elder care.

If you are diagnosed with a covered condition after the certificate effective date, submit your claim and you will quickly receive a check or direct deposit into your bank account for the amount of the benefit you selected. It's that simple. You can use your money however you choose.

You can choose from three coverage levels: \$10,000, \$20,000 or \$30,000, and your premium rates are fixed based on your age during the plan year and the benefit level you choose.

On the Fence About Critical Illness Coverage?

If you need more reasons to consider Critical Illness coverage, here are three additional benefits:

- **Wellness Benefit** — Not only is in-network preventive care 100% covered under AdventHealth medical options, but you will receive \$50 per covered family member for getting a covered health screening test, immunization, eye exam, routine physical or well-child/preventive exam.
- **Diabetes Service** — Modify your behavior upon diagnosis of diabetes by receiving an additional monthly benefit of \$100 for up to six months to help pay for a smoking cessation program, nutrition counseling program or gym membership.
- **Breast Cancer Enhancement** — Full face amounts are payable even when breast cancer is diagnosed as carcinoma in situ.

Learning & Education Benefits

We know that new opportunities often start with curiosity. AdventHealth wants to support your learning journey — whether that is pursuing a new certificate or degree, or managing existing student loans. Visit our [Educational Assistance page](#) to learn about and access all of the programs available to you.

Educational Assistance

AdventHealth offers Guild, an education benefit that offers a range of learning programs for team members, including:

- 400+ programs from over 30 schools, colleges and universities available in business, healthcare, technology and more.
- Undergraduate and master's degrees along with select certificates.
- Up to \$5,250 per calendar year for undergraduate degrees and certificates, up to \$10,500 per calendar year for graduate degrees, and up to \$3,000 per calendar year for non-degree certifications.*

Starting on day one of employment, eligible full-time and part-time team members — as well as per diem nurse technicians — have access to these educational assistance offerings. Visit [AdventHealth.GuildEducation.com](#) for more information on eligibility and to explore all programs.

Student Loan Support

Through Guild, AdventHealth also provides you with access to a suite of tools to help reduce student loan debt as you pursue your passions.

- The **Student Loan Optimization** program is free to all benefits-eligible team members.
- The **Round Up program** can help you reduce your payments by utilizing the spare change from your daily spending to automatically pay off your debt.
- The **Student Loan Repayment program** provides team members who meet eligibility requirements the opportunity to apply for an employer contribution toward the principal of an existing student loan. Eligible team members can access and enroll in the program through [AdventHealth.GuildEducation.com](#).
- You can also schedule **coaching sessions** with finance experts who provide personalized guidance on repaying your student loans and helping you achieve financial goals. Visit the Educational Assistance tile on The Hub to get started.

AdventHealth University

AdventHealth University is a faith-based university closely aligned with the AdventHealth system, offering undergraduate and graduate degrees (in-person and online) for working professionals, including several programs that provide tuition assistance.

* If applicable, grants and scholarships are applied to tuition and fees before employer funding. Education assistance provided in excess of \$5,250 within one calendar year will be treated as taxable income and reported on your W-2.

Adoption Assistance

AdventHealth reimburses tax-qualified domestic and international adoption-related expenses incurred, up to \$10,000 per finalized adoption. Eligible expenses include adoption fees, court costs, attorney fees, travel expenses (meals and lodging) and other expenses related to legal adoption. Refer to PolicyTech for more information on policy [CW HR 277 – Adoption Assistance Policy](#). For eligibility or general questions, contact Optum Financial at 844-680-5661.

Identity Theft Protection

AdventHealth partners with Norton LifeLock to provide a comprehensive cyber wellness program to empower you and your family to live safe digital lives. Protect your identity and devices with device security, fraud protection, and more. This program protects up to five devices for an individual or 10 devices for a family and provides online privacy through a secure VPN, mobile app and social media monitoring. Team members must be at least 18 years old to enroll. Dependents must live in the team member's household or be financially dependent on the enrolling team member to be eligible.

To find more information on Identity Theft Protection, Legal Insurance & Pet Care, visit USEVB.com/AdventHealth.

Legal Insurance

AdventHealth offers legal insurance that provides support and protection for unexpected personal legal issues. As a member, you have access to a national network of attorneys who are matched to your specific legal needs. LegalEase provides coverage for home and consumer affairs, financial issues, auto and traffic matters, family disputes and estate planning and wills.

Pet Care Discount Program

Team members can enroll in a pet care bundle for their dogs, cats or exotic pets. There are no exclusions — even pets with pre-existing conditions are covered. Total Pet Plan combines the best in pet care to offer discounts on pet products, veterinary care and pharmacy, lost pet recovery service and access to 24/7 pet telehealth support.
